Dear LaVillle Families,

Welcome to the 2026-2027 school year at LaVillle Elementary!

Whether your family is returning to our school community or joining us for the first time, we are thrilled to welcome you to another year of learning, growth, and connection. At LaVillle Elementary, we believe that schools are strongest when students, families, and staff work together with a shared commitment to helping every child succeed.

As we begin this school year, our focus remains on providing high-quality instruction while continuing to strengthen the relationships that make our school such a special place. This year, we will continue to:

- Strengthen literacy instruction and build strong readers, writers, and communicators across all grade levels.
- Deepen our implementation of Conscious Discipline practices to support students' social-emotional growth and foster a culture of Safety, Respect, and Responsibility.
- Increase alignment across grade levels to ensure students experience a seamless progression of skills and learning as they advance through elementary school.
- Strengthen partnerships with families and our community, recognizing that student success is a shared responsibility.

Together, we will continue to build a school community where students are encouraged to dream big, work hard, support one another, and proudly represent what it means to be a Lancer.
